MULTIPLE PERSPECTIVE **COACHING** TO UNLEASH YOUR LEADERSHIP IMPACT

What is collective coaching?

**A customized coaching process** provided by 3 specialized coaches (Experienced Coaches, Voice specialists, Martial artists, Storytellers, Mind-body workers, Experts on shadow work.

Meditation practitioners, Energy practice experts), **using collective intelligence** to gain a deeper, well-rounded understanding of an issue or challenge.

Finding key areas for progress:

**A holistic approach** to development, considering: Mind, Heart, Body, Spirit, Soul and Shadow.

A focus on the Inner Game using the process of enquiry to delve into a current challenge or issue, navigate a transition and/or gain a new breakthrough perspective.

**A fully customized approach** provides a focus on finding specific, nuanced enquiry questions.

The process provides leaders with a deeper exploration of their inner landscape, allowing for the development of **introspective practices** and an **awareness of habitual patterns**.

Access to 3 practitioners with specialized insights provides a multifaceted support system to facilitate the necessary changes from different angles. A three-directional approach allowing for deep inner game work and **personal mastery** to impact the outer game.
